PROFESSIONAL SUMMARY

Growth Marketing Specialist with 4+ years driving user acquisition, activation and lifecycle performance across fintech, agency and freelance settings. Hands-on owner of paid media (Meta Ads, Google Ads) and marketing automation, with a track record of double-digit lifts in activation, engagement and conversion through experimentation. Recently completed an MSc in Consumer Analytics & Marketing Strategy at the University of Leeds. Seeking Growth Marketing / Performance Marketing roles where I can own acquisition channels end to end and scale what works.

WORK EXPERIENCE

Tattersall | *Real Estate, Freelance*
Growth & Paid Media Consultant | Remote | 2026–Present

Own Meta Ads end to end for a real estate client, achieving a 13.4x ROAS and driving customer acquisition cost down to roughly USD 30.

Designed and built a marketing automation system (Make + Strapi + Brevo) to connect lead capture, CRM and lifecycle messaging without manual handoffs.

Automated and self-audited paid media management, as measured by weekly, hands-off performance reporting with zero manual data extraction, by building an AI agent connecting Claude Code, MCP, Meta Ads and Google Sheets.

Global66 | *Fintech Sector*
Growth Specialist | Santiago, Chile | 2023–2025

Led the implementation of an AI-powered onboarding chatbot, increasing new-user activation by 15% within the first 24 hours vs. control and reducing customer support workload by 30%.

Led quantitative and qualitative research to design a high-value loyalty programme for the top 5% of users, improving engagement and perceived service value.

Developed a predictive model to detect critical early-journey behavioural signals, enabling targeted activation interventions across Growth, Product, UX and CX.

Built Tableau and Looker Studio dashboards to monitor digital experiments and funnel performance, enabling faster go/no-go decisions on growth initiatives.

Key achievements:

Delivered measurable improvements in user activation, lifecycle progression and operational efficiency.

Introduced advanced behavioural insights and experimentation into Global66's growth processes.

MIND Spa | *Digital Marketing & Innovation Agency*
Growth Hacker | Santiago, Chile | 2021–2023

Implemented an experimentation roadmap for a financial services client, increasing email open and click-through rates by 140% and improving service quotation conversion by 30%.

Audited the registration and booking flow for a major healthcare client, identifying friction points and prioritizing experiments to increase conversion.

Acted as methodological consultant applying growth hacking and experimentation frameworks across client portfolios.

Staffed an innovation incubator for a banking client, facilitating workshops and guiding two innovation projects from research to prototype.

Fundación Fútbol Más | *Latin American Non-Profit*
Commercial Coordinator | Santiago, Chile | 2020–2021

Presented the foundation's impact to potential partners and prepared commercial proposals for B2B and B2C fundraising.

Managed the donor base and migrated donor data into automated reporting dashboards, structuring the full commercial pipeline in Salesforce.
